

PRAIRIE CARBON MANAGEMENT SERIES

Day 1

	WEDNESDAY, SEPTEMBER 23, 2026		08:00 – 19:00		Innovation Saskatchewan R+T Park, Saskatoon, Candle Span Room
TIME	SESSION				FORMAT
08:00 – 09:00	Breakfast Participant Check-in				
09:00 – 09:15	Welcome / Carbon Management Across Canada Breanne O'Reilly, Chief Operating Officer, The International CCS Knowledge Centre				Address / Presentation
09:15 – 10:00	Saskatchewan's Carbon Management Vision Randy Brunet, Partner, MLT Aikins LLP / Board Chair, The International CCS Knowledge Centre James Fann, President & CEO, The International CCS Knowledge Centre				Fireside Chat
10:00 – 10:15	Coffee Break				
10:15 – 10:30	What Makes a Carbon Management Project Economic? James Fann, President & CEO, The International CCS Knowledge Centre				Presentation
10:30 – 11:15	Incentives and Capital Stacking for Carbon Management Projects Kevin Chung, Executive Director, Innovation Investments & Programs, Innovation Saskatchewan Eric Warren, Executive Director, Energy Policy, Ministry of Energy and Resources, Government of Saskatchewan Patrick Bergermann, Associate Vice-President, Energy Roadmap, Federated Co-operatives Limited				Panel
11:15 – 11:45	Carbon Markets Emma Dizon, Manager, Western Canada Research and Outreach, Clean Prosperity Dani Hansen, VP Environmental Commodities Sales & Structuring, BMO Capital Markets				Fireside Chat
11:45 – 12:45	Lunch				
12:45 – 13:30	Indigenous Participation in Carbon Management Dani Nichols, Lawyer, MLT Aikins LLP Tina Rasmussen, Chief Executive Officer at Meadow Lake Tribal Council Kelley Rutledge, Manager, Strategy & Sustainability Advisory, GLJ Ltd.				Panel
13:30 – 14:15	Building Saskatchewan's Carbon Management Workforce Kelly Johnson, Program Manager, Careers in Energy, a division of Energy Safety Canada Hamza Niazi, Product Strategist, SAIT				Panel
14:15 – 14:30	Coffee Break				
14:30 – 15:00	Roundtable Discussion				Roundtable
15:00 – 15:45	Industrial Perspectives – Capture Patrick Bergermann, Associate Vice-President, Energy Roadmap, Federated Co-operatives Limited Jessica Theriault, Director, Regulatory Affairs & Sustainability – North America, The Mosaic Company Catie O'Neal, Director of Western Canada, Carbon Removal Canada Danielle Rapson, Co-founder & Chief Operating Officer, Mantel Capture				Panel
15:45 – 16:40	Public Confidence and Carbon Management Norm Sacuta, Director of Communications, Petroleum Technology Research Centre (PTRC) Breanne O'Reilly, Chief Operating Officer, The International CCS Knowledge Centre				Fireside Chat
16:40 – 17:00	Heidelberg CCS Update Corwyn Bruce, Project Director – Edmonton CCS, Heidelberg Materials				Presentation
17:00 – 19:00	Reception Collider Event Space, Innovation Saskatchewan R+T Park				

Day 2

	THURSDAY, SEPTEMBER 24, 2026		08:00 – 16:15		Innovation Saskatchewan R+T Park, Saskatoon, Candle Span Room
TIME	SESSION				FORMAT
	08:00 – 08:25	Breakfast			
	08:25 – 08:30	Welcome Greg Maidment, Executive Director, Quarry Park Energy Solutions			Address
	08:30 – 09:15	Lessons Learned from Weyburn–Midale and Aquistore Erik Nickel, President and CEO, Petroleum Technology Research Centre (PTRC)			Presentation
	09:15 – 09:45	Saskatchewan’s Regulatory Framework for Carbon Management Debby Westerman, Executive Director, Resource Management, Ministry of Energy and Resources, Government of Saskatchewan			Presentation
	09:45 – 10:30	EOR’s Role in Saskatchewan’s Carbon Management Future Adlai Majer, Principal, Blue Sky Carbon Solutions Inc. Kelley Rutledge, Manager, Strategy & Sustainability Advisory, GLJ Ltd.			Panel
	10:30 – 10:45	Coffee Break			
	10:45 – 11:15	Saskatchewan’s Storage Landscape Jack Jensen, Director, Carbon Management Technologies, Natural Resources Canada Gavin Jensen, Senior Research Petroleum Hydrogeologist, Saskatchewan Geologic Survey, Government of Saskatchewan			Panel
	11:15 – 12:00	Monitoring, Verification and Long–Term Stewardship Zeinab Movahedzadeh, Project Manager, Petroleum Technology Research Centre (PTRC) Faisal Khan, Reservoir Engineering Specialist, Enbridge Jamie MacKenzie Eddy, Senior Analyst, Sustainability & Emissions Management, GLJ Ltd. Richard Percy, Chief Operating Officer, OptiSeis Solutions Ltd.			Panel
	12:00 – 13:00	Lunch			
	13:00 – 13:45	Industrial Perspectives – Transport / Storage Tom Hansen, Director Commercial, Entropy Inc. Lance Morrison, Senior Development Engineer, Deep Sky			Panel
	13:45 – 14:30	Driving Innovation Kelly Mantei, Chief Operating Officer, Delta CleanTech Ltd. Megan Borden, Manager, Sustainability Systems, Entropy Inc. Peng Luo, Chief Scientist and Engineer, Energy Innovation Hub, Petroleum Technology Research Centre (PTRC) Jack Jensen, Director, Carbon Management Technologies, Natural Resources Canada			Panel
	14:30 – 14:45	Coffee Break			
	14:45 – 15:15	Roundtable Discussion			Roundtable
	15:15 – 16:00	Boundary Dam: A Decade of Operating CCS Garret Sliva, Senior Engineer, SaskPower			Presentation
	16:00 – 16:15	Closing Remarks
